TREATIES OF WASHINGTON ACT, 1922

(12-13 Geo. 5. c. 21)

CHAPTER 21

An Act for enabling effect to be given to two Treaties signed at Washington on behalf of His Majesty and certain other Powers.

[20th July, 1922.]

WHEREAS at Washington on the sixth day of February, nineteen hundred and twenty-two, two treaties were signed on behalf of His Majesty, the one (being a Treaty for the Limitation of Naval Armament) containing among other provisions, the provisions set out in the First Schedule to this Act, and the other (being a treaty to protect neutrals and non-combatants at sea in time of war and to prevent use in war of noxious gases and chemicals) containing among other provisions the provisions set forth in the Second Schedule to this Act:

And whereas it is expedient to give effect to the provisions so set forth in manner hereafter appearing:

Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1.—(1) No person shall, without a licence from the Admiralty—

Restriction on building, &c., vessels of war.

- (a) within any part of His Majesty's Dominions to which this Act applies, build any vessel of war, or alter, arm or equip any ship so as to adapt her for use as a vessel of war; or
- (b) despatch or deliver, or allow to be despatched or delivered, from any place within any part of His Majesty's Dominions to which this Act applies any ship which has been so built, altered, armed, or equipped as aforesaid, either entirely or partly within His Majesty's Dominions:

Provided that a licence for any such purpose shall not be refused by the Admiralty unless it appears to the Admiralty necessary to do so for the purpose of securing the observance of the obligations imposed by the first-mentioned Treaty, and where a licence is granted subject to conditions, the conditions shall be such only as may appear necessary to the Admiralty for the purpose aforesaid.

(2) An application for a licence under this section shall be accompanied by such designs and particulars as the Admiralty may require.

(3) The Admiralty may, by warrant, empower any person to enter any dockyard, shipyard, or other place, and to make inquiries respecting any ship being built, altered, armed, or equipped contrary to this Act, and to search any such ship.

(4) If any question arises as to whether a ship is a vessel of war, or whether any alteration, arming, or equipment of a ship is such as to adapt her for use as a vessel of war, the question shall be referred to and determined by the Admiralty whose decision shall be final.

Legal
proceedings.

2.—(1) If any person contravenes the foregoing provisions of this Act, or contravenes or fails to comply with any condition subject to which a licence under this Act is granted, he shall be guilty of an offence and shall be liable on conviction on indictment to imprisonment with or without hard labour for a term not exceeding two years, or to a fine not exceeding one hundred pounds, or to both such imprisonment and fine, and the ship in respect of which the offence is committed and her equipment shall be liable to forfeiture to His Majesty.

(2) Where the person guilty of such an offence is a company or corporation, every director and manager of the company or corporation shall be guilty of the like offence and liable to the like penalties, unless he proves that the act or omission constituting the offence took place without his knowledge and consent.

(3) Where any such offence has been committed by any person by reason whereof a ship or the equipment thereof has become liable to forfeiture, proceedings may be instituted contemporaneously or not, as may be thought fit, against the offender in any court having jurisdiction of the offence, and against the ship, or ship and equipment, for the forfeiture in a court having jurisdiction in Admiralty; but it shall not be necessary to take proceedings against the offender because proceedings are instituted for the forfeiture, or to take proceedings for the forfeiture because proceedings are taken against the offender.

57 & 58 Vict.
c. 60.

(4) Section seventy-six of the Merchant Shipping Act, 1894 (which relates to the forfeiture of ships) as amended by any subsequent enactment, shall apply to ships which have become subject to forfeiture under this Act in like manner as it applies to ships subject to forfeiture under Part I of that Act.

(5) If the Admiralty are satisfied that there is reasonable ground for believing that a ship has been or is being built, altered, armed, or equipped contrary to this Act, or about to be despatched or delivered in contravention of this Act, the Admiralty shall have power to issue a warrant ordering any such officer as is mentioned in the said section seventy-six to seize and search the ship, and to detain the ship, and section six hundred and ninety-two of the Merchant Shipping Act, 1894, relating to the detention of ships under that Act, shall apply to the detention of ships under this Act.

(6) No proceedings shall be instituted in respect of any such offence as aforesaid without the consent of the Admiralty.

3. The foregoing provisions of this Act shall be in addition to and not in derogation of the provisions of the Foreign Enlistment Act, 1870.

Saving of
33 & 34
Vict. c. 90.

4. Any person in the service of any Power who violates any of the rules contained in Article I set forth in the Second Schedule to this Act, whether or not such person is under a governmental superior, shall be deemed to have violated the laws of war, and shall be liable to trial and punishment as if for an act of piracy, and if found within His Majesty's Dominions, may be brought to trial before any civil or military tribunal who would have had jurisdiction to deal with the case if the act had been an act of piracy.

Trial and
punishment
for violation of
rules as to
warfare against
commerce.

5.—(1) This Act shall extend to the whole of His Majesty's Dominions, except India and the self-governing Dominions, that is to say, the Dominion of Canada, the Commonwealth of Australia (including for this purpose Papua and Norfolk Island), the Dominion of New Zealand, the Union of South Africa, and Newfoundland, and, after the constitution of the Irish Free State, the Irish Free State:

Extent of Act.

Provided that, in the application of this Act to any part of His Majesty's Dominions outside the United Kingdom, for references to "the Admiralty" there shall be substituted references to "the governor of the possession."

(2) His Majesty may, by Order in Council, extend the provisions of this Act to any British protectorate, subject to such modifications as may be contained in the Order.

6.—(1) This Act may be cited as the Treaties of Washington Act, 1922.

Short title
and com-
mencement.

(2) This Act shall come into operation on such day as may be fixed by Order of His Majesty in Council.

- (5) The date of completion of each new ship and its standard displacement in tons and metric tons, and the principal dimensions, namely, length at waterline, extreme beam at or below waterline, mean draught at standard displacement, at time of completion.

PART 4.—DEFINITIONS

For the purposes of the present Treaty, the following expressions are to be understood in the sense defined in this Part.

Capital Ship

A capital ship, in the case of ships hereafter built, is defined as a vessel of war, not an aircraft carrier, whose displacement exceeds 10,000 tons (10,160 metric tons) standard displacement, or which carries a gun with a calibre exceeding 8 inches (203 millimetres).

Aircraft Carrier

An aircraft carrier is defined as a vessel of war with a displacement in excess of 10,000 tons (10,160 metric tons) standard displacement, designed for the specific and exclusive purpose of carrying aircraft. It must be so constructed that aircraft can be launched therefrom and landed thereon, and not designed and constructed for carrying a more powerful armament than that allowed to it under Article IX, as the case may be.

Standard Displacement

The standard displacement of a ship is the displacement of the ship complete, fully manned, engined, and equipped ready for sea, including all armament and ammunition, equipment, outfit, provisions and fresh water for crew, miscellaneous stores and implements of every description that are intended to be carried in war, but without fuel or reserve feed water on board.

The word "ton" in the present Treaty, except in the expression "metric tons," shall be understood to mean the ton of 2,240 pounds (1,016 kilo.).

Vessels now completed shall retain their present ratings of displacement tonnage in accordance with their national system of measurement. However, a Power expressing displacement in metric tons shall be considered for the application of the present Treaty as owning only the equivalent displacement in tons of 2,240 pounds.

A vessel completed hereafter shall be rated at its displacement tonnage when in the standard condition defined herein.

SECOND SCHEDULE

Section 4.

ARTICLES OF TREATY TO PROTECT NEUTRALS AND NON-COMBATANTS AT SEA IN TIME OF WAR, AND TO PREVENT USE IN WAR OF NOXIOUS GASES AND CHEMICALS

ARTICLE 1

The Signatory Powers declare that among the rules adopted by civilized nations for the protection of the lives of neutrals and non-combatants at sea in time of war, the following are to be deemed an established part of international law:—

1. A merchant vessel must be ordered to submit to visit and search to determine its character before it can be seized.

A merchant vessel must not be attacked unless it refuse to submit to visit and search after warning, or to proceed as directed after seizure.

A merchant vessel must not be destroyed unless the crew and passengers have been first placed in safety.

2. Belligerent submarines are not under any circumstances exempt from the universal rules above stated; and if a submarine cannot capture a merchant vessel in conformity with these rules the existing law of nations requires it to desist from attack and from seizure and to permit the merchant vessel to proceed unmolested.

ARTICLE III

The Signatory Powers, desiring to ensure the enforcement of the humane rules of existing law declared by them with respect to attacks upon and the seizure and destruction of merchant ships, further declare that any person in the service of any Power who shall violate any of those rules, whether or not such person is under orders of a governmental superior, shall be deemed to have violated the laws of war and shall be liable to trial and punishment as if for an act of piracy and may be brought to trial before the civil or military authorities of any Power within the jurisdiction of which he may be found.

IMPERIAL STATUTE

IMPORTATION OF ANIMALS ACT, 1922

(13 Geo. 5, Session 2, c. 5)

CHAPTER 5

An Act to amend the law with respect to the landing of imported animals in Great Britain and matters connected therewith.

[15th December 1922.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1. (1) Subject to the provisions of this Act, Canadian store cattle may, if the conditions specified in this section are fulfilled, be landed in Great Britain without being required to be dealt with and slaughtered in accordance with provisions of Part I. of the Third Schedule to the Diseases of Animals Act, 1894 (in this Act referred to as "the principal Act").

Importation
of Canadian
store cattle.

57 & 58
Vict. c. 57.

(2) The conditions to be fulfilled for the purposes of this section are as follows:—

- (a) The cattle must before shipment have been marked indelibly in such manner as the Minister may prescribe, and must have been shipped from a port in the Dominion of Canada:
- (b) The vessel to be used for the voyage must have been inspected by the representative of the Minister in Great Britain, or by the duly authorized representative of the Government of the Dominion of Canada, and found to be suitable and properly fitted and equipped for the humane treatment of the cattle during the voyage, and the avoidance of unnecessary suffering by the cattle:
- (c) The Minister must be satisfied—

(i) that the cattle were for a period of three clear days immediately before shipment kept separate from other animals, and were examined from time to time during that period by a duly authorized veterinary officer of the Dominion of Canada, and in particular were thoroughly so examined immediately before shipment, and that on such examination no animal examined was found to be affected with cattle plague, pleuro-pneumonia, or foot-and-mouth disease;

(ii) that the cattle were not at the time of shipment affected with mange or any other disease which is declared by the Minister to be a disease within the meaning of this provision;

(iii) that, if at any time within twenty-eight days before the shipment of the cattle the vessel in which the cattle are brought to Great Britain had had on board any animal which had been exported or carried coastwise from any port or place in any country other than Great Britain or the Dominion of Canada, or had entered or been within any such port or place, the vessel was before the shipment of the cattle effectively cleansed and disinfected to the satisfaction of the duly authorized representative of the Government of the Dominion of Canada;

(iv) that the cattle were during the voyage kept separate from other animals and daily examined by a duly authorized veterinary officer of the Dominion of Canada, and that on such examination no animal examined was found to be affected with cattle plague, pleuro-pneumonia, or foot-and-mouth disease;

(v) that the vessel did not during the voyage enter any port or place outside Great Britain:

(d) The cattle must be landed at a port and at a landing place approved by the Minister for the purposes of this section.

(3) Cattle landed under this section shall be detained at the landing place at which they are landed and there isolated from all other animals for such period, commencing from the time at which the landing of the cattle is completed, as may be required for the thorough examination of the cattle by veterinary inspectors and the issue of licences for their movement, and no cattle shall be moved from the landing place unless and until the movement is authorized by a licence granted in accordance with the provisions of the Schedule to this Act.

(4) If, on the examination of any cattle landed under this section, the veterinary inspector suspects any animal of being affected with cattle plague, pleuro-pneumonia, or foot-and-mouth disease, he shall cause all the cattle then in the landing place to be detained therein until he has satisfied himself as to whether the suspected animal is or is not so affected, and for the purposes of the examination the inspector may cause the suspected animal to be slaughtered.

(5) If it is found on any such examination that any animal is affected with any such disease as aforesaid, the owner or person in charge of any cattle then in the landing place shall cause all those cattle, as having been exposed to the infection of the disease, to be slaughtered within such time as the veterinary inspector may fix, and in any such case none of the cattle shall be moved from the landing place unless in the opinion of the inspector it is necessary so to do for the purpose of slaughter and then only in accordance with such conditions, if any, as may be imposed by the licence authorizing the movement.

(6) If the person whose duty it is under the last preceding subsection to cause any cattle to be slaughtered fails to cause the cattle to be slaughtered within the time fixed in that behalf, the Minister may, but without prejudice to the liability of that person to proceedings for an offence under the principal Act,

cause the cattle to be slaughtered and to be disposed of in such manner as he thinks fit, and any sum received by the Minister in respect of the sale of the carcasses of any cattle so slaughtered shall, after the deduction therefrom of the expenses of slaughter and disposal and the amount of any importation fees, be paid to the owner of the cattle.

(7) The Minister may by order suspend the operation of this section during any period during which he has reason to believe that cattle plague, pleuro-pneumonia, or foot-and-mouth disease exists in the Dominion of Canada, and for such further period after any such disease has ceased so to exist as, in his opinion, is necessary for the purpose of avoiding the risk of the introduction of the disease into Great Britain.

(8) In this Act the expression "Canadian" in relation to any animal means "born and reared in the Dominion of Canada," and the expression "store cattle" means castrated male or spayed female bovine animals which are intended for feeding purposes and not for immediate slaughter.

2. The Minister may, notwithstanding anything in the principal Act, by order authorize any Canadian animals, other than store cattle, to be landed in Great Britain without being subject to the provisions of Part I. of the Third Schedule to the principal Act, if, in the case of any such animals being cattle, there is produced a certificate issued by a duly authorized officer of the Dominion of Canada to the effect that the animals were within one month before shipment effectively tested for tuberculosis and were found to be free therefrom, and if the animals are landed in accordance with such conditions, to be prescribed in the order, as may, in the opinion of the Minister, be necessary or expedient for the prevention of the introduction of disease, other than tuberculosis, into Great Britain.

Power of Minister to authorize conditionally importation of Canadian animals.

3. For the word "foreign" wherever that word is used in relation to an animal or thing in the principal Act, or any Act amending the provisions of that Act relating to foreign animals or foreign things, there shall be substituted the word "imported," and for the purposes of the principal Act as so amended an imported animal or an imported thing shall mean an animal or thing brought to Great Britain from a country out of Great Britain, and the provisions of the principal Act as so amended relating to imported animals and imported things shall have effect as though the expression "Great Britain" were therein substituted for the expression "The United Kingdom," but except to such extent as the Minister may by order direct, the provisions of the Third Schedule to the principal Act shall not apply to animals brought to Great Britain from Ireland or any part thereof:

Meaning of "imported animals" and provision as to landing of animals from Ireland.

Provided that, if the Minister is satisfied that cattle plague, pleuro-pneumonia or foot-and-mouth disease exists or has recently existed in, or that adequate provision is not made for the prevention of the introduction of any such disease into, any part of Ireland, he may by order prohibit the landing in Great Britain of animals or any class of animals brought from Ireland or any part thereof, or may apply the said provisions to

animals or any class of animals so brought with such modifications, if any, as he may think necessary or expedient.

Supervision by
Commissioners
of Customs
and Excise of
landing of
animals.

4. The landing of imported animals in Great Britain shall be effected in such manner, at such times and subject to such supervision as the Commissioners of Customs and Excise may direct.

Compensation
not payable
in respect
of slaughter
of imported
animals.

5. Compensation shall not be payable under the Diseases of Animals Act, 1894 to 1914, in respect of any imported animal which is, by reason of the animal being diseased, or suspected, or having been exposed to the infection of any disease, slaughtered in a foreign animals' wharf or in an approved landing place.

Fees on
importation.

6. There shall be charged in respect of the landing of imported animals in Great Britain such fees as may, in the opinion of the Treasury, be sufficient to meet the expenses of the examination of imported animals by veterinary inspectors, but not exceeding as respects any one animal the sum of sixpence, and any fees so charged shall, on demand by the Minister and before the animal or the carcase of the animal, as the case may be, is moved from the wharf or landing-place, be paid to him by the person so moving the animal or carcase.

Draft of
orders to be
laid before
Parliament.

7. Before any order is made under the preceding provisions of this Act a draft of the order shall, unless it is either an order suspending the operation of section one of this Act or prohibiting the landing of animals, or an order consequential on the making of any such order of suspension or prohibition, be laid before each House of Parliament for a period of not less than twenty-one days on which that House has sat, and if either House before the expiration of that period presents an Address to His Majesty against the draft or any part thereof, no further proceedings shall be taken thereon, but without prejudice to the making of any new draft order.

Regulation of
movement of
imported
cattle.

8. (1) The provisions contained in the Schedule to this Act shall apply with respect to imported cattle.

(2) The Minister may by order alter or modify any of the said provisions if he considers it necessary or expedient so to do, and the alterations or modifications are such as in his opinion will not diminish or prejudice the protection against the risk of the spread of disease which is afforded by the said provisions as enacted in the said Schedule;

Provided that, no such alteration or modification shall reduce the period of detention prescribed by such provisions.

Extension of
power to make
orders under
s. 30 of prin-
cipal Act.

9. The power of the Minister to make orders under section thirty of the principal Act shall include a power to make orders for the following purposes:—

- (a) For requiring imported animals, whether as a condition of landing or otherwise, to be marked by tagging or in any other manner; and
- (b) For providing for the application to imported animals of any test for disease or of any treatment for disease.

10. (1) This Act may be cited as the Importation of Animals Act, 1922 (Session 2), and the Diseases of Animals Act, 1894 to 1914, and this Act may be cited together as the Diseases of Animals Act, 1894 to 1922.

Short title
interpretation
and com-
mencement.

(2) In this Act, unless the context otherwise requires:—

The expression “the Minister” means the Minister of Agriculture and Fisheries, and the expression “the Ministry” shall be construed accordingly.

The expression “veterinary inspector” means a person appointed by the Minister to be a veterinary inspector for the purposes of the principal Act.

(3) This Act shall be deemed to form part of and shall be construed as one with the principal Act.

(4) This Act shall come into operation on such date, not later than the first day of April, nineteen hundred and twenty-three, as His Majesty may by Order in Council appoint.

SCHEDULE

Sections 1, 9.

REGULATION OF MOVEMENT OF IMPORTED CATTLE

1.—(1) No imported cattle shall be moved from the landing place at which they are landed except under a licence granted by a veterinary inspector and in accordance with such conditions, if any, as may be imposed by the licence and with the regulations contained in this Schedule.

Licence for
movement
from landing
place.

(2) A licence granted under this provision shall be a licence authorising the cattle to be moved either to—

(a) a market specially authorised in writing by the local authority of the district for the purposes of this provision (in this Schedule referred to as “an authorised market”); or

(b) premises (including a slaughterhouse) other than an authorised market.

(3) A local authority may, if they think fit, instead of granting an authority for the purposes of this provision in respect of the whole of a market, grant such an authority in respect of some part of a market, and where a part of a market is so authorised the provisions of this Schedule shall, unless the context otherwise requires, have effect as though reference to a part of a market were substituted for references to a market.

(4) A copy of every authority granted by a local authority for the use of a market for the purposes of this provision shall be sent forthwith by the local authority to the Ministry.

2.—(1) Imported cattle which have been moved to an authorised market shall at all times while therein be kept separate from all animals other than imported cattle, and shall not, if part only of a market is authorised for the purposes of this Schedule, be permitted, while any such other animals are in the market, to enter any part of the market other than the authorised part.

Conditions to
be complied
with in the
case of cattle
in authorised
markets.

(2) No animals other than imported cattle shall be permitted to enter an authorised market.

(3) Imported cattle exposed for sale at an authorised market shall not be moved therefrom otherwise than under a licence

granted by a local inspector and in accordance with such conditions, if any, as may be imposed by the licence or otherwise than to premises, not being an authorised market, to be there detained in accordance with the provisions of this Schedule.

Detention of
imported
cattle on
arrival at
premises other
than market

3. When imported cattle have under a licence in that behalf been moved to premises other than an authorised market, whether from the landing place or from an authorised market, they shall on arriving at those premises be detained therein, unless previously slaughtered therein, for a period of six days from the date of arrival.

During the said period the cattle shall not be moved from the said premises otherwise than under a further licence to be granted by a local inspector, or otherwise than to a slaughter-house, to be therein detained until they are slaughtered, or to a vessel for export.

Temporary
detention in
special
enclosures
of cattle
awaiting sale
at market.

4 —(1) Where a licence has been granted under this Schedule authorising the movement of imported cattle to an authorised market the cattle may by virtue of that licence, subject as hereinafter provided, be temporarily detained in special lairs or other enclosures adjoining or near to the market while awaiting exposure for sale in the market:

Provided that—

- (a) the lairs or enclosures must be lairs or enclosures the use of which has been authorised by the local authority for the purpose of this provision, and the use of the lairs or enclosures for the purpose aforesaid shall be subject to such directions as may be given by or on behalf of the local authority;
- (b) the lairs or enclosures must not be used for any animals other than imported cattle in course of being moved to an authorised market under this Schedule;
- (c) the cattle shall not remain in the lairs or enclosures for a period exceeding seventy-two hours.

(2) If the Minister after making enquiries is satisfied that it is for any reason inexpedient or undesirable that any lairs or other enclosures, the use of which has been authorised for the purpose aforesaid, should be used for that purpose, the Minister may direct that those lairs or enclosures shall cease to be authorised lairs or enclosures for the purpose of this provision.

Provisions as
to licence and
movement.

5.—(1) A licence granted under this Schedule for the movement of imported cattle shall remain in force for a period of five days, inclusive of the day on which it is granted, and no longer.

(2) A copy of every licence granted under this Schedule shall be sent forthwith by the veterinary inspector or local inspector by whom it is granted to the local authority of the district in which the authorised market or other authorised place of destination is situate, and also, where the place of destination is not an authorised market, to the occupier of that place.

(3) Every licence granted under this Schedule shall accompany the cattle to which it relates throughout the time during which they are being moved thereunder, and shall on demand be produced by the person for the time being in charge of the cattle to any veterinary inspector or local inspector or police constable.

(4) A licence authorising the movement of imported cattle to an authorised market shall be delivered up at the entrance to the market by the person for the time being in charge of the cattle to the person appointed by the local authority for the purpose of receiving such licences, and every licence authorising imported cattle to be moved elsewhere than to an authorised market shall forthwith after the arrival of the cattle at the authorised place of destination be delivered up at, or sent by post to, the nearest police station in the district by the person then in charge of the cattle.

(5) Imported cattle to be moved under a licence granted under this Schedule shall, so far as is practicable, be moved by rail, and shall in all cases be moved without unnecessary delay and direct to the authorised place of destination.

(6) Where imported cattle are being moved by rail they shall not, until they reach the railway station from which they are to be moved to the premises specified in the licence, be removed from their trucks for any purpose other than the purpose of being fed or watered, and then only at some railway station, and if removed for that purpose shall not be taken outside the station premises:

Provided that, nothing in the foregoing provision shall prevent the removal from its truck of any animal on account of any injury sustained by it or for any other necessary purpose.

6. Nothing in this Schedule shall

Savings.

7. In this Schedule, unless the context otherwise requires—

HIS Britannic Majesty's Government and the Imperial Japanese Government have agreed as follows:—

SEED-TESTING STATION AT BELFAST, IRELAND

DESPATCH

HOME OFFICE (Irish Branch),
18th April, 1923.

SIR,—I am directed by the Secretary of State to request you to inform the Duke of Devonshire that he learns from the Government of Northern Ireland that a Seed-testing Station for the use of traders and farmers in Northern Ireland has now been established by the Minister of Agriculture, Belfast.

2. The primary object of the Station is to provide farmers and traders in Northern Ireland with facilities for obtaining authoritative information regarding seeds proposed to be sold or planted. The Station has a further use, in that it provides exporters of seeds to Great Britain with the necessary information to comply with the Seeds Act, 1920.

3. There is no similar system of control in the case of seeds intended for export to foreign countries but it may be expected that importers abroad would be desirous of having particulars of the official tests of seeds emanating from Northern Ireland, as the volume of export trade, especially in certain kinds of grasses, is very considerable. It is also probable that in certain cases Agricultural Departments in foreign countries may favour seed that is accompanied by authoritative official evidence of quality.

4. It is understood that all the main agricultural and garden seeds will be tested and the form of certificate issued will show *inter alia* particulars of purity and germination and the presence of injurious weed seeds.

5. For the above reasons the Government of Northern Ireland are anxious that the existence in Northern Ireland of an official Seed-testing Station should be made as widely known as possible. I am accordingly to request that should no objection be seen, such action as may be practicable may be taken to give effect to the wishes of the Government of Northern Ireland.

6. Similar letters are being sent to the Ministry of Agriculture, the Board of Agriculture for Scotland and the Department of Overseas Trade.

I am, etc.,

(Sgd.) L. B. FREESTON.

P.C. 1776—September 7, 1922—Whereas by Section 12 of the Special Fishery Regulations for the Province of Ontario, which were adopted by Order in Council of the 26th April, 1922, a minimum size limit is provided for different kinds of fish in that Province;

And whereas this regulation was adopted following a request for it by the Department of Game and Fisheries for the Province of Ontario, which administers the fisheries in that Province;

And whereas the said Department now explains that information it has since gathered shows that this regulation should apply only to the fisheries of Lake Erie, and it consequently requests that the regulation be amended accordingly;

Therefore the Deputy of His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Marine and Fisheries and under the authority of Section 45 of the Fisheries Act, Chapter 8 of the Statutes of 1914, is pleased to order and doth hereby order that Section 12 of the Special Fishery Regulations for the Province of Ontario, which were adopted by Order in Council of the 26th April, 1922, be rescinded and that the following be substituted in lieu thereof:—

P.C. 1918—September 30, 1922—The Deputy of His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Marine and Fisheries, and under the authority of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order as follows:—

1. Section 15 of the Special Fishery Regulations for the Province of British Columbia, which were adopted by Order in Council of the 26th of April, 1922, is hereby amended by adding thereto the following subsection:—

2. No licensee shall have the number of his license on more than one boat at the same time.

2. Section 24 of the said regulations is hereby rescinded and the following is substituted in lieu thereof:—

In the waters of the mainland west of the 121st Meridian, no one shall fish for, catch or kill any rainbow or cutthroat trout from the first day of December in each year to the last day of February following, both days inclusive. There shall be no close time in these waters for steelhead or char. In the waters of the mainland east of the 121st Meridian no one shall fish for, catch or kill trout of any kind from the fifteenth of November in each year to the thirtieth of April following, both days inclusive; provided that these close seasons shall not apply to Seton and Anderson Lakes and waters tributary thereto, nor to dolly varden trout nor steelhead caught in tidal waters by rod and line, or in Okanagan, Kamloops, Shuswap, Arrow and Kootenay Lakes, nor in streams tributary thereto nor to landlocked salmon, weighing five pounds, undressed, or over; provided that in the non-tidal waters of Vancouver Island, no one shall fish for, catch or kill steelhead from the twentieth March to the thirtieth November in each year, both days inclusive; provided that in Six Mile and Cottonwood Lakes, no one shall fish for, catch or kill trout of any kind from the fifteenth day of November in each year, to the thirty-first day of May following, both days inclusive; provided also that the Chief Inspector may at any time prohibit all trout fishing in any stream for such time as he may deem necessary for the proper protection of the trout therein.

Subsection (c) of section 29 of the said regulations which authorizes limited net fishing in certain lakes under license from the Provincial Government is hereby amended so as to allow the use of gill-nets and drag-seines for the capture of Kokanees, or little red-fish, in Christina Lake, under the same conditions as in the other lakes named in the said section in which such fishing is authorized.

SALMON FISHING CERTAIN AREAS IN N.B.

P.C. 1507—September 14, 1922—Whereas Subsection 9 of Section 17 of the Fishery Regulations for the province of New Brunswick, which were adopted by Order in Council of the 26th April, 1922, provides a salmon angling season in the waters of New Brunswick from the 24th of May to the 31st of August in each year, both days inclusive, with the exception of the Restigouche River where such season is from the 1st of April to the 15th of August;

And whereas, as the angling privileges in the non-tidal waters of the province are owned and administered by the Provincial Authorities, the question was taken up with the Provincial Department of Lands and Mines before this regulation was adopted, but the Deputy Minister of the said department has since explained that the conditions in certain areas, in which provincial leases of angling privileges have been issued which contemplate fishing from the 1st April, were overlooked;

And whereas salmon taken before the 24th of May are, as a general thing, fish that remained in the rivers over winter and are descending to the sea, and are not in good condition for food;

And whereas the conditions are exceptional in the Cains River, Northumberland County, and to some extent in the Southwest Miramichi, where the salmon taken before the 24th of May are generally in good condition;

And whereas some seasons differ from others, but, while the taking of salmon that are in poor condition should not be permitted, angling in areas where the salmon are in good condition should be allowed, and the situation could be safeguarded from all standpoints by giving authority to the Inspector of Fisheries of the district for the Department of Marine and Fisheries to grant permits authorizing angling at an earlier date;

Therefore the Deputy of His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Marine and Fisheries and under the authority of Section 45 of the Fisheries Act, Chapter 8 of the Statutes of 1914, is pleased to order and it is hereby ordered that Subsection 9 of Section 17 of the Special Fishery Regulations for the province of New Brunswick, which were adopted by Order in Council of the 26th April, 1922, be rescinded, and that the following be substituted in lieu thereof:—

9. Fishing for and catching salmon by angling shall be permissible from the twenty-fourth day of May to the thirty-first day of August in each year, both days inclusive, except in the waters of the Restigouche River and its tributaries, where such fishing shall be permissible from the first day of April to the fifteenth day of August in each year, both days inclusive; provided that the Inspector of Fisheries for a district may grant permission to fish for and catch salmon by angling at any time after the end of March in each year, in any stream or portion of any stream where he finds that the salmon at such time are in good condition for food.

FISHERY REGULATIONS NOVA SCOTIA, NEW BRUNSWICK AND
MANITOBA

P.C. 2226—Oct. 27, 1922—Whereas during a conference of fishery officers for the Eastern Fisheries Division, which consists of the Maritime Provinces and the Magdalen Islands, it was determined that there are a number of minor points in connection with the fishery regulations that need modification to enable satisfactory administration of the fisheries there:

And whereas the responsible officers of the Department of Marine and Fisheries, who deal with the administration of the fisheries, advise that the changes referred to above be made;

Therefore His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Marine and Fisheries and under the authority of section 45 of the Fisheries Act, Chapter 8 of the Statutes of 1914, is pleased to order and it is hereby ordered as follows:

4. That section 30 of the said regulations be amended by adding thereto the following subsection:

5. Smelt bag-net fishing shall be permissible in the Northport and Tidnish Rivers from the first day of November in each year to the fifteenth day of January following, both days inclusive.

5. That subsection 1 of section 33 of the said regulations be rescinded and that the following be substituted therefor:

1. In an established seining district in Halifax County no one shall operate a seine of any kind except under license from the Minister, and whether in an established seining district or not, no one shall operate a set seine except under license from the Minister. The fee on such license in either instance shall be fifty cents.
 6. That the following concluding words of subsection 2 of section 35 of the said regulations be rescinded:
 "and no drifting for shad or gaspereau shall be permitted above Salter's Head on the Shubenacadie River."
 7. That subsections 2, 4 and 10 of section 17 of the Special Fishery Regulations for the Province of New Brunswick, which regulations were adopted by Order in Council of the 26th April, 1922, be rescinded, and that the following be substituted therefor respectively:
 2. The mesh of salmon gill-nets and traps shall not be less than five inches extension measure when in use; provided that after the fishing season of 1924 the mesh of such gill-nets and the mesh of the leader of such traps shall not be less than six inches, extension measure, when in use.
 4. The fee for a gill-net license shall be one dollar for the first ten fathoms, and three cents for each additional fathom in length of net used, provided that the total fee in any instance shall not exceed ten dollars.

The fee for a trap license shall be five dollars for the first ten fathoms of leader and ten cents for each additional fathom, provided that the total fee for any one trap shall not exceed fifteen dollars.

 - 10. The number of salmon that may be taken in any one week by an angler shall not exceed thirty.
8. That paragraph (d) of section 18 of the said Special Fishery Regulations for the Province of New Brunswick be rescinded and that the following be substituted therefor:

9. That subsection 3 of section 21 of the said Special Fishery Regulations for the Province of New Brunswick be rescinded and that the following be substituted therefor:

10. That the following section be inserted immediately after section 31 of the Special Fishery Regulations for the Province of New Brunswick:

SEC. 31A.—COUNTY OF WESTMORELAND

11. That section 4 of the Special Fishery Regulations for the Province of Manitoba, which were adopted by Order in Council of the 26th of April, 1922, be amended by adding thereto the following subsection:

(b) During the months of June, July and August in each year, the mesh of nets used under such permit for fishing for domestic purposes may not be less than three and one-half inches, extension measure, when in use, and during the remainder of each year the mesh of such nets shall not be less than that required for commercial fishing for the species of fish being caught.

FISHERY REGULATIONS MANITOBA

P.C. 2643, Dec. 22, 1922—Whereas the Acting Minister of Marine and Fisheries reports that paragraph (c) of section 37 of the Special Fishery Regulations for the Province of Manitoba, which were amended and consolidated by Order in Council of the 26th of April, 1922, provides that the area in Lake Winnipeg, west and south of a line drawn from Saskatchewan Point to the southwest point of Reindeer Island and thence direct west to the shore of the lake, shall be reserved for hatchery purposes from commercial fishing;

And whereas this area has been so reserved in connection with whitefish hatching operations for a number of years, but it now develops that the coarser varieties of fish than whitefish are resorting to this area in larger numbers than heretofore, that this is undesirable, and commercial fishing should not longer be prevented therein;

Therefore. His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Marine and Fisheries and under the authority of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order that paragraph (c) of section 37 of the Special Fishery Regulations for the Province of Manitoba, which were adopted by Order in Council of the 26th of April, 1922, shall be and the same is hereby rescinded.

Vide Canada Gazette, Vol. 56, p. 2914.

DRAG SEINES IN BRAS D'OR LAKES PROHIBITED

P.C. 142—Jan. 26, 1923—Whereas by subsection 3, of section 27, of the special fishery regulations for the Province of Nova Scotia, it is provided that no trap-net or drag seine other than trap-nets for the capture of salmon shall be used in the waters of Bras D'Or Lakes;

And whereas it has been represented to the Department of Marine and Fisheries that if the use of trap-nets for cod fishing were allowed, such fishing engines would be employed and a largely increased fishing industry would be carried on;

And whereas the object of the prohibition is to protect salmon, but it has also been ascertained that the area in which it is desired to use cod traps is not frequented by salmon, and as trap-nets may not be used except under license, such nets, if allowed, could be restricted to suitable areas;

And whereas the responsible officers of the Department of Marine and Fisheries have recommended that the above regulation be amended so as not to prevent the use of cod traps in Bras D'Or Lakes;

Therefore. His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries, and under the provisions of section 45 of the Fisheries Act, chapter 8, of the Statutes of 1914, is pleased to order and it is hereby ordered that subsection 3 of section 27 of the special Fishery Regulations for the Province of Nova Scotia, as amended by Order in Council of the 27th October, 1922, be rescinded and that the following be substituted in lieu thereof:

3. The use of drag-seines is prohibited in the waters of Bras D'Or Lakes.

Vide Canada Gazette, Vol. 56, p. 3457.

SALMON FISHING, BERSIMIS RIVER, QUEBEC

P.C. 358—February 26, 1923—Whereas by subsection 5 of section 18 of the special fishery regulations for the Province of Quebec, which were adopted by Order in Council of the 22nd of October, 1921, it is provided that the net fishing season for salmon in the Province of Quebec, excepting on the portion of the coast east of Netashquan, shall be from the 1st of May to the last day of July, both days inclusive;

And whereas the Department of Colonization, Mines and Fisheries for the Province of Quebec, which is administering the fisheries there, has explained that the conditions in the Bersimis River, on the North Shore, are exceptional, as the salmon do not begin to run into that river until towards the end of June, and as the fishing is carried on by the resident Indians who remain there until the middle of August, that Department recommends that the fishing season for that particular river be changed so as to allow net fishing therein until the fifteenth day of August inclusive;

And whereas the responsible officers of the Department of Marine and Fisheries, who deal with the administration of the fisheries, see no serious objection to compliance with this request;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries and under the provisions of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order that subsection 5 of section 18 of the special fishery regulations for the Province of Quebec, which were adopted by Order in Council of the 22nd of October, 1921, shall be and the same are hereby so amended as to allow net fishing for salmon in the Bersimis River from the first of May to the fifteenth of August in each year, both days inclusive.

Vide Canada Gazette, Vol. 56, a p. 3835.

FISHING IN RED RIVER, MANITOBA

P.C. 454—March 13, 1923—Whereas the Minister of Marine and Fisheries reports that while section 4 of the Special Fishery Regulations for the Province of Manitoba, which were adopted by Order in Council of the 26th of April, 1922, authorizes the granting of permits without the payment of any fee to resident settlers, including Indians, to fish for domestic purposes, but not for sale or barter, fishing under such permits must be restricted to the open fishing seasons;

And whereas in certain parts of the Province the settlers find it difficult to procure food (other than fish) for themselves or their dogs, particularly during the close season for pickerel fishing, which extends from April 15th to May 31st, both days inclusive, and as the amount of fishing that would be involved would not be a serious detriment to the fishery, it is desirable that such settlers and Indians should be allowed to fish for domestic purposes during such close time.

And whereas section 36 of the said regulations prohibits fishing by any means in the portion of the Red River in the immediate vicinity of St. Andrews' Locks, and several of those interested in angling there maintain that the distance below the locks in which fishing is prohibited is so great that it makes reasonable successful angling impossible;

And whereas it is further urged that section 36 of The Fisheries Act, which prohibits all fishing within twenty-five yards of any fishway or canal, obstacle or leap is sufficient to meet all reasonable requirements of fisheries protection there;

And whereas the responsible officers of the Department of Marine and Fisheries, who deal with the administration of the fisheries, have reported that both suggested changes could be made without any serious detriment to the fisheries, and they, therefore, recommend that such be done;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries and under the provisions of section 45 of The Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order as follows:

1. (a) The first paragraph of section 4 of the Special Fishery Regulations for the Province of Manitoba, which paragraph was adopted by Order in Council of the 26th April, 1922, is hereby rescinded, and the following is substituted in lieu thereof;

TROUT FISHING NOVA SCOTIA

P.C. 673—April 20, 1923—Whereas the trout angling season in Nova Scotia is closed from the 1st of October in each year to the 30th of April following;

And whereas the Minister of Marine and Fisheries reports that the Select Standing Committee of the House of Commons on Marine and Fisheries, who have had the matter under consideration, have recommended that this close season be changed so as to end on the 31st of March instead of the 30th of April in each year, and the responsible officers of the Department of Marine and Fisheries who deal with the administration of the fisheries see no serious objection to this being done;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries and under and by virtue of the provisions of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order that subsection 1 of section 23 of the special fishery regulations for the Province of Nova Scotia, which regulations were adopted by Order in Council of April 26, 1922, be and the same is hereby rescinded and the following substituted in lieu thereof:—

1. No one shall fish for, catch, or kill trout of any kind from the first day of October to the thirty-first day of March following, in each year, both days inclusive.

Vide Canada Gazette, Vol. 56, p. 4538.

FISHING LICENSES NOVA SCOTIA, NEW BRUNSWICK AND PRINCE EDWARD ISLAND

P.C. 755—May 1, 1923—Whereas the Minister of Marine and Fisheries reports that the fees payable on fishery licenses in British Columbia, as prescribed by the Order in Council of the 14th April, 1923 (*P.C. 645*), are lower than a number of those prevailing in the Maritime Provinces, though, as a

general thing, the concessions in the Maritime Provinces covered by the licenses are not as valuable as those on the Pacific Coast;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries, and under and by virtue of the provisions of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to amend the Special Fishery Regulations for the Provinces of Nova Scotia, New Brunswick and Prince Edward Island, and the same are hereby so amended as to provide that in any instance where a fishery license fee is more than one dollar, the fee on such license shall be one dollar.

Vide Canada Gazette, Vol. 56, p. 4615.

ONTARIO SPECIAL FISHERY REGULATIONS

P.C. 814—May 9, 1923—Whereas the Minister of Marine and Fisheries reports that the Department of Game and Fisheries for the Province of Ontario, which is administering the fisheries in that province recommends that spearing for coarse fish during the months of April and May be permitted in the Counties of Victoria, Peterborough, Northumberland and Durham; and also that the use of nets more than thirty-six meshes deep, which the regulations provide should not be allowed after the present year, should be permitted until the end of next year.

And whereas the Minister states that the responsible officers of the Department of Marine and Fisheries, who deal with the administration of the fisheries, see no serious objection to either of these amendments.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries, and under the provisions of section 45 of the Fisheries Act, chapter 8 of the Statutes of 1914, is pleased to order as follows:

1. Section 3 of the special fishery regulations for the Province of Ontario, which were adopted by Order in Council of April 26, 1922, is hereby rescinded and the following is substituted therefor:

Section 3. Licenses and Permits

No one shall fish by means other than by angling or trolling excepting under license or permit from a duly authorized officer of the Department of Game and Fisheries of the Province of Ontario, but this shall not apply to the taking of coarse fish by residents during the months of April and May, between sunrise and sunset, by means of dip-net or spear, in any part of the Province with the exception of the Counties of Victoria, Peterborough, Northumberland and Durham, and those waters of the river Trent in any other County within the Province, provided that fish so taken shall not be for sale or barter.

2. Paragraph (e) of section 16 of the said regulations is hereby rescinded and the following is substituted therefor:

(e) In fishing no one shall use a gill-net of greater depth or vertical width than thirty-six meshes after the thirty-first day of December, 1923.

Vide Canada Gazette, Vol. 56, p. 4784.

PICKLED FISH PACKING REGULATIONS

P.C. 845—May 12, 1923—Whereas the Minister of Marine and Fisheries reports that the experience of the last two years in administering the Fish Inspection Act (as amended 1920) makes it clear that some minor points in the Regulations made thereunder require modification in order that the Act may be administered more smoothly and effectively;

And whereas the Minister, with the advice of the responsible officers of the Department who deal with the administration of the fisheries, and after consultation with those engaged in the branch of the fishing industry affected, recommends that the following changes in the Regulations be made:—

Therefor His Excellency the Governor General in Council, under and by virtue of the provisions of chapter 48, 10-11 George V, intituled "An Act to amend the Fish Inspection Act," is pleased to order as follows:

Section 24 of the Regulations established by Order in Council of the 18th August, 1920 (P.C. 1941), is hereby rescinded, and the following is substituted therefor:

The maker of every barrel, half barrel, pail, kit or other container intended for marketing pickled fish in, shall clearly mark such container with his name and address, and the words "pickled fish" thereunder, and any such container filled with fish for sale, and which does not show such marks, may be seized by an Inspector, Police Officer or Constable, and held until the name and address of the maker has been ascertained, and the maker shall be liable, on summary conviction, to the penalty provided by subsection 2 of section 11 of the Act as amended 1920.

Section 25 of the said Regulations is hereby rescinded, and the following is substituted therefor:

Any barrel, half barrel, pail, kit or other container made for the purpose of marketing pickled fish in, and which is not made in accordance with and is not of the capacity prescribed by these Regulations, shall be marked by an Inspector with the words "container below standard."

Section 29 of the said Regulations is hereby rescinded, and the following is substituted therefor:

Every barrel of pickled herring shall contain not less than two hundred pounds and every half barrel not less than one hundred pounds, and every pail or kit not less than twenty pounds, and every half pail or half kit not less than ten pounds of fish, apart from salt, provided that kegs containing nine pounds of herring cured in the "Scotch Style" may be used. The packer or repacker shall put sufficient weight of fish in the container when packing to ensure the aforesaid weight of fish being in the container at the time of sale.

The packer or repacker shall take care to see that the container is free from leaks and full of pickle at all times while it is in his possession.

Section 40 of the said Regulations is hereby rescinded, and the following is substituted therefor:

Mackerel when packed shall lie flat back down, except the top tier, which shall be back up. They shall be thoroughly cured and evenly salted, properly split and washed, and shall have all the blood scraped from the main bone, provided that if the owner of any container of spring mackerel furnishes an Inspector with a statutory declaration that such mackerel are for shipment to the West Indies or any such tropical region or to the United States, they may be exempted from the last requirement.

Section 41 of the said Regulations is hereby amended by adding thereto the following after the word "possession" at the end of the last line thereof:

Standard herring barrels and half barrels may be used for packing and marketing spring mackerel in.

Section 51 of the said Regulations is hereby rescinded, and the following is substituted therefor:

An Inspector may at any time or place, after containers of fish have been packed, examine any containers and the fish they contain in order to satisfy himself that the containers are of the construction and capacity required by the Regulations, and that the fish are such as they are represented to be by the

marks on the containers, and each container immediately after being filled shall be marked to denote the grade of fish in accordance with the requirements for the kind of fish contained therein.

PACKING OF SMOKED HERRING

P.C. 888—May 21, 1923—Whereas the Minister of Marine and Fisheries reports that representations have been made to the Department of Marine and Fisheries that owing to the practice in years past of gradually reducing the size of the boxes in which smoked round herring are packed for export, the trade in such has become endangered, and that the size of the boxes and the weight of their contents should be established by law;

And whereas the Minister of Marine and Fisheries, with the advice of the responsible officers of the Department who deal with the administration of the fisheries, and after consultation with those engaged in this branch of the industry, recommends that the provisions of the Fish Inspection Act be extended and applied to smoked round herring and the boxes in which such are packed for export;

Therefore His Excellency the Governor General in Council is pleased to order and it is hereby ordered that, under the authority of section 3 of the Fish Inspection Act, the provisions of the said Act shall extend and apply to smoked round herring and the boxes in which such are packed for export.

His Excellency, on the same recommendation, and under the authority of section 6 of The Fish Inspection Act, is further pleased to make the following regulations to govern the size of the said boxes and the weight and quality of their contents, and the same are hereby made and established accordingly:—
REGULATIONS governing the packing of smoked round herring commonly known as (1) Hard Cured Bloaters and (2) Medium Smoked Herring, and the size of the boxes in which such are marketed.

1. The fish when boxed shall be sound and thoroughly cured and smoked and the fish shall be packed neatly in tiers in the boxes.

Size of Boxes and Weight of Contents

2. (a) Each box for the marketing of hard cured bloaters shall be not less than 19½ inches long, 10¼ inches wide and 5 inches deep, inside measurements, and each such box before shipment shall contain not less than 18 pounds of fish.
- (b) Each box for the marketing of medium smoked herring shall be not less than 10¼ inches long, 6 inches wide and 2 inches deep, inside measurements, and each such box shall contain not less than 2 pounds of fish.

Marking of Boxes

3. Each box when filled shall be marked with the name and address of the packer and with the minimum weight defined in section 2 for that particular size of box.

Penalties

4. The packer or owner of boxes packed with such fish as are covered by the foregoing regulations which are found to be not in accordance with the
VOL. I—D

requirements of such regulations shall be liable to the penalty provided by subsection 2 of section 11 of the Fish Inspection Act as amended in 1921.

These regulations shall be effective during the season of 1923.

LOBSTER AND GASPHEREAU FISHING

P.C. 930—May 23, 1923—Whereas the Minister of Marine and Fisheries reports:—

That the lobster fishing season along the coast of St. John County, N.B., extends from the 15th November, in each year, to May 23rd following, both days inclusive, though fishing during the winter months is not carried on in any important way;

That by Order in Council of the 21st April, 1923, the lobster fishing season on the portion of the coast of Nova Scotia, which extends from St. Mary's Bay, Digby County, inclusive, to Cole Harbour, Halifax County, inclusive, was extended so as to allow fishing up to the 15th of June, inclusive, for this year only, the regular season on that portion of the coast being from the first of March to the end of May;

That the lobster fishing season on the portion of the coast of Nova Scotia from but not including Cole Harbour, Halifax County, to Red Point, Richmond County, including adjacent waters and the Strait of Canso, is from April 20th to June 20th, both days inclusive;

That the lobster fishing season for the Gulf of St. Lawrence portion of the Maritime Provinces, as well as the portion of Quebec south of the River St. Lawrence, except at the Magdalen Islands, is from the 26th April to the 25th June, both days inclusive;

And whereas it is represented that the conditions this year are abnormal on all the above portions of the coast, and the fishermen are faced with the likelihood of not making expenses, unless an extension of the season is granted; that the conditions affecting the fishing industry generally are unusually unsatisfactory this year, and that the extension of fifteen days that has been granted in the western Nova Scotia District will not likely, in the light of experience since it was authorized, enable the fishermen to make a remunerative season;

Therefore, in the above circumstances, His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries, and under the authority of section 45 of the Fisheries Act, Chapter 8 of the Statutes of 1914, is pleased to authorize and doth hereby authorize in each of the above described districts an extension of the lobster fishing season, for the present year only, of fifteen days, including an additional fifteen days to that authorized by the Order in Council of the 21st April, 1923 (*P.C. 709*), in the district which extends from St. Mary's Bay, Digby County, to Cole Harbour, Halifax County, both inclusive.

And whereas the gaspereau fishing season in the tidal waters of Nova Scotia is during the month of May;

And whereas it is represented that these fish this year are unusually late in entering the streams that are tributary to Minas Basin, Cobequid Bay and Chignecto Bay, and the Strait of Northumberland, so that if fishing is restricted to the month of May, as unduly small portion of the fish will be taken, and that this condition prevails in these rivers practically every year;

Therefore, in the circumstances, His Excellency in Council, on the same recommendation and under the above cited authority, is further pleased to

order that subsection 1 of section 10 of the special fishery regulations for Nova Scotia, which were adopted by Order in Council of the 26th April, 1922 (P.C. 895), shall be and the same is hereby amended by adding thereto the following proviso:—

“Provided that in the tidal waters of streams that are tributary to Minas Basin, Chignecto Bay and the Strait of Northumberland, gaspereau gill-nets may be used from the sixteenth day of May to the fifteenth day of June in each year, both days inclusive.”

And whereas by Order in Council of the 1st May, 1923, it was provided that in any instance where the fee on a fishery license in the Maritime Provinces exceeds one dollar, it shall be one dollar;

And whereas it has been represented that even this nominal fee on salmon net licenses is regarded by the Nova Scotia fishermen as a hardship, and as the total number of salmon nets in the Maritime Provinces is about one thousand, the revenue involved is not a matter of much importance, the main object of the license being to enable adequate control of the fishery to be exercised; moreover as the Magdalen Islands now form a part of the fisheries district of the Inspector of Fisheries for Prince Edward Island, the same fees should be charged as in the Maritime Provinces;

Therefore, in these circumstances, His Excellency in Council, on the recommendation of the Minister of Marine and Fisheries, and under the above cited authority, is pleased to order that the Order in Council of the 1st May, 1923 (P.C. 755), shall be and the same is hereby rescinded, and that the Special Fishery Regulations for Nova Scotia, New Brunswick, Prince Edward Island and Quebec, so far as the Magdalen Islands are concerned, be and the same are hereby amended so as to provide that in any instance where the fee on a commercial fishery license is more than one dollar, the fee on such license shall be one dollar, provided that there shall be no fee on a salmon fishery license, and that this amendment shall apply to all licenses issued for the calendar year 1923 or the fiscal year 1923-24, and thereafter.

Who, after communicating to each other their respective full powers, found in good and due form, have agreed upon the following articles:

ARTICLE I.

The natural and manufactured products originating in and coming from Canada enumerated in Schedule A to this Convention shall enjoy when imported into France, the French Colonies, Possessions and Protectorates having the same customs tariff as France the benefit of the minimum tariff and of the lowest rates of duties as regards present import duties and taxes and as regards any such duties or taxes which France may hereafter establish and also as regards surtaxes, co-efficients or other temporary increases that France may establish.

ART. II.

The grant of the minimum tariff for the products enumerated in Schedule A means the treatment of the Most Favoured Nation as respects such products, but does not entitle Canada to claim the benefit of any preferential advantage which France may grant to her Protectorates or the benefit of any tariff resulting from economic agreements which France may enter into with border states, or the benefits of any tariff which France may grant for products the importation of which is designed to facilitate financial settlements with those countries that were at war with France during the years 1914-1918.

ART. III.

The natural and manufactured products originating in and coming from Canada enumerated in Schedule B to this Convention when imported into France, the French Colonies, Possessions and Protectorates having the same customs tariff as France shall enjoy the benefit of the percentages of reduction mentioned in the said Schedule, such percentages to bear on the difference between the rates of the general tariff and those of the minimum tariff. These percentages shall remain the same whatever increase or decrease of tariff duties, surtaxes or co-efficients France may establish in the future.

ART. IV.

If France shall at any time grant to the United States of America as regards any of the products mentioned in Schedule B to the present Convention percentages more favourable

able than those mentioned in the said Schedule, or the benefit of the minimum tariff the same or similar products originating in and coming from Canada shall immediately and unconditionally enjoy the benefit of the said concessions.

ART. V.

All products originating in and coming from Canada other than those mentioned in Schedules A and B to this Convention shall be subject in France to the rates of the general tariff of 1910 as long as by virtue of the French decree of March 28th, 1921, such tariff shall continue to be applicable to the products of the United States of America other than those specified in Schedule A and Schedule B to the French law of March 29th, 1910.

If the United States of America should at any time cease to enjoy the benefit of the French decree of March 28th, 1921, products of Canada other than those enumerated in Schedules A and B to this Convention shall enjoy a reduction of twenty-five per cent on the difference between the French general tariff and minimum tariff, whatever the rates of these tariffs may be.

If at any time France grants to the United States of America for any products other than those enumerated in Schedules A and B to this Convention more favourable treatment than is granted to Canada, Canada shall be entitled to claim the benefit of the same treatment for any identical or similar products originating in and coming from Canada, on condition that France shall be entitled to ask from Canada a reasonable and equivalent concession. France undertakes to give due consideration to any claim thus put forward by Canada and promptly to make known what concession of a similar nature she wishes to receive in return. The Governments of the two countries undertake to examine these questions in a friendly spirit and with a mutual desire to arrive at an equitable agreement.

ART. VI.

The natural and manufactured products originating in and coming from Canada shall enjoy in the French Colonies, Possessions and Protectorates not having the same customs tariff as France the benefit of the tariff which may be applied there to the products of the Most Favoured Foreign Nation.

If the regime appointed to the most favoured foreign nation does not grant in the islands of St. Pierre and Miquelon the benefit of the minimum tariff for any of the products mentioned in Schedule C the lowest tariff in force in these islands shall nevertheless apply to the said products originating in and coming from Canada.

ART. VII.

If under the preceding Articles the French minimum tariff does not apply to foodstuffs originating in and coming from Canada these products shall nevertheless enjoy the benefit of the said tariff upon their importation into the French West Indies and French Guiana.

ART. VIII.

The natural and manufactured products originating in and coming from France and from the French Colonies, Possessions and Protectorates shall be admitted into Canada under the rates of the intermediate tariff or of any more favourable tariff that Canada may grant to the products of any other foreign country.

ART. IX.

The natural and manufactured products originating in and coming from France, the French Colonies, Possessions and Protectorates, enumerated in Schedule D to this Convention shall enjoy on their importation into Canada the benefit of the rates mentioned in the said Schedule as well as any more favourable tariff that Canada may grant to the identical or similar products of any foreign country.

ART. X.

The natural and manufactured products originating in and coming from France, the French Colonies, Possessions and Protectorates, enumerated in Schedule E to this Convention when imported into Canada shall be subject to the duties of the intermediate tariff, provided, however, that on the amount of the duty computed under such tariff the importer shall be entitled to a discount of ten per cent.

Provided also that on such products or any of them the proportionate difference between the intermediate and general tariffs shall at no time be less than it is at present.

ART. XI.

The natural and manufactured products originating in and coming from France, the French Colonies, Possessions and Protectorates enumerated in Schedule F to this Convention when imported into Canada shall be subject to the duties of the intermediate tariff, provided, however, that on the amount of the duty computed under such tariff the importer shall be entitled to a discount of fifteen per cent.

Provided also that, on such products or any of them, the proportionate difference between the intermediate and general tariffs shall at no time be less than it is at present.

ART. XII.

For the products mentioned in the Schedules to this Convention Canada and France grant to each other the benefit of the most favourable rates that may result from changes introduced into the classification of goods or from specializations introduced into the tariffs as a result of administrative or legislative measures or as a result of conventions entered into with other Powers.

ART. XIII.

Subject to the exceptions provided for in Article II of the present Convention any product at present admitted free of customs duties into France, the French Colonies, Possessions and Protectorates if later made subject to a customs duty shall enjoy if originating in and coming from Canada the lowest tariff which applies to a similar product imported from any foreign country whatsoever.

Reciprocally if any product at present admitted free of customs duties into Canada by virtue of the Canadian intermediate tariff or of any tariff that may be substituted for it becomes liable to a customs duty the said product when imported from France or the French Colonies, Possessions and Protectorates shall enjoy the lowest tariff which applies to a similar product imported from any foreign country whatsoever.

ART. XIV.

To enjoy the benefit of the tariff advantages provided for in the foregoing Articles products originating in and coming from France, the French Colonies, Possessions and Protectorates shall be conveyed without transshipment from a port of those territories or from a port of a country enjoying the benefit of the preferential or intermediate tariff into a sea or river port of Canada.

Reciprocally to enjoy the benefit of the tariff advantages provided for in the foregoing Articles the products originating in and coming from Canada imported into France, the French Colonies, Possessions and Protectorates shall be conveyed direct from a Canadian port without transshipment in any country that does not enjoy the said tariff advantages.

Provided, however, that nothing in this Article shall exempt the product of either country from any surtaxe d'entrepôt that is now or hereafter may be imposed on products imported indirectly.

ART. XV.

France and Canada undertake not to establish one against the other any prohibition or restriction of importation, exportation, or transit which shall not at the same time be applicable to other countries.

Provided, however, that France and Canada reserve to themselves the right to establish in regard to products originating in or destined for the one or other country any temporary prohibition or restriction of importation, exportation, or transit which either of them adjudges necessary to protect the public health, to prevent the spread of animal diseases or the destruction of crops, or in the interest of national safety.

ART. XVI.

The High Contracting Parties grant to each other as regards export duties and taxes the most favoured nation treatment. Drawbacks on the exportation of French or Canadian products shall not be higher than the amount of the import, excise, interior consumption or town duties collected upon the said products or the materials entering into their manufacture.

ART. XVII.

The natural and manufactured products of the two countries imported into the territory of the other and destined for warehousing or transit to any destination whatsoever shall not be liable to any tariff duty or interior duty other than those at present in force in either of the two countries or any other duties and impositions intended specifically to defray the cost of supervision or administrative expenses which may arise from the transit, not excluding, however, fiscal taxes incident to the transactions which these goods may be subject to in the course of warehousing or transportation.

ART. XVIII.

Products of Canadian origin of any kind imported into France, the French Colonies, Possessions and Protectorates shall not be subject to any other or higher duties of excise or town dues than those which are or may be charged upon like products of the most favoured nation.

In like manner products of any kind originating in France, the French Colonies, Possessions or Protectorates when imported into Canada shall not be subject to any other or higher duties of excise or town dues than those which are

or may be charged upon like products of the most favoured nation.

France and Canada guarantee to one another the treatment of the Most Favoured Nation as regards the duties of exportation, re-exportation, transit, warehousing, the transshipment of goods and the fulfilment of customs formalities.

Subject to the laws now in force in either country France and Canada grant each other national treatment as regards consumption dues or other duties imposed upon the sale of goods.

ART. XIX.

For the enforcement of the foregoing Articles France and Canada may require the products to be accompanied upon their importation by certificates of origin or declarations issued in conformity with the laws of the country from which they originate.

If the Canadian Government or the French Government deem it necessary to have such certificates or declarations viséd they may appoint or designate for such purposes officers who shall give such visés free of charge.

If in any case representations be made to one of the Governments by an authorized agent of the other Government that there is reason to believe that fraudulent practices have been resorted to in the issue of such certificates the Government to which the complaint is made shall immediately take steps to inquire into the facts of the case, shall report the result of the inquiry to the complaining Government and shall take all available means to prevent the continuation of the fraudulent practices if such be found.

ART. XX. .

If importers of French wines or other products of French agriculture furnish certificates of analysis or of purity thereof issued by scientific establishments under the control of the Minister of Agriculture of France and designated by him, such certificates shall for all purposes be taken into consideration by the Canadian Customs authorities, without, however, restricting their right of appraisalment.

In like manner certificates accompanying Canadian products issued by any authority under the control of the Government of Canada shall for all purposes be taken into consideration by the French Customs authorities without, however, restricting their right of appraisalment.

To enjoy the benefit of the tariff advantages granted by this Convention, every invoice of champagne, cognac brandy, and armagnac brandy shall be accompanied by a certificate of analysis and purity issued under the authority of the Government of the country of production.

ART. XXI.

France and Canada grant to each other reciprocally the treatment of nationals as respects the protection of trade-marks, patents, commercial names, industrial designs and patterns, names of origin of products and the prevention of unfair competition.

ART. XXII.

For the application of *ad valorem* duties, exporters of products originating in France, the French Colonies, Possessions and Protectorates, and reciprocally the exporters of Canadian products, may produce certificates of value issued by any Chamber of Commerce or by any other similar commercial organization. Such certificates shall be taken into consideration by the respective Customs officials, in levying the duties to which the imported products may be liable, without, however, restricting their right of appraisement.

ART. XXIII.

Merchants and manufacturers, subjects of one of the High Contracting Parties, as well as merchants and manufacturers domiciled and exercising their commerce and industries in the territories of such party, may, in the territories of the other, either personally or by means of commercial travellers make purchases or collect orders, with or without samples, and such merchants, manufacturers and their commercial travellers, while so making purchases or collecting orders shall in the matter of taxation and facilities enjoy the most-favoured-nation treatment.

Articles imported as samples for the purposes above mentioned shall, in each country, be temporarily admitted free of duty on compliance with the customs regulations and formalities established to assure their re-exportation or the payment of the prescribed customs duties if not re-exported within the period allowed by law. But the foregoing privilege shall not extend to articles which, owing to their quality or value, cannot be considered as samples, or which, owing to their nature, could not be identified upon re-exportation. The determination of the question of qualification of samples for duty-free admission rests in all cases exclusively with the competent authorities of the place where the importation is effected.

ART. XXIV.

The nationals of each of the High Contracting Parties shall enjoy on the territory of the other the treatment granted to the nationals of the most favoured nation. They shall

shall not be subjected there to any duties, rates or taxes, under any denomination whatever, other or higher than those imposed on the nationals of any foreign country.

ART. XXV.

The High Contracting Parties declare that they mutually recognize for all corporations, and other commercial, industrial, financial, and insurance associations constituted and authorized under the particular laws of either of them, the right of free access to the tribunals of the other, subject to no other condition except that they conform to the laws of that country.

The said companies and associations of either of the High Contracting Parties shall have the right, if the laws and regulations of the other are not contrary to it, and subject to the fulfilment of all the formalities provided for by those laws and regulations, of exerting their activity and settling in the territory of the latter country; they shall enjoy, as regards their settlement, the same treatment as the companies and associations of the most favoured nation.

ART. XXVI.

The Agreement of January 29th, 1921, regulating the commercial relations between France and Canada shall cease from operation at the date of the coming into force of the present Convention; and so shall the commercial Convention of 1907, amended in 1909, insofar as it was kept in force by the said Agreement.

ART. XXVII.

This Convention after being approved by the French Chambers and by the Parliament of Canada shall be ratified and the ratifications exchanged at Paris as soon as practicable. It shall come into force immediately after the completion of that formality and shall remain in force until terminated by either of the High Contracting Parties after six months' notice to the other Party.

In witness whereof the respective Plenipotentiaries have signed this Convention and have affixed thereto their seals.

Done in duplicate at Paris, the 15th day of December, in the year 1922.

Who may obtain patents.

7. (1) Any person who has invented any new and useful art, process, machine, manufacture or composition of matter, or any new and useful improvements thereof, not known or used by others before his invention thereof and not patented or described in any printed publication in this or any foreign country more than two years prior to his application and not in public use or on sale in this country for more than two years prior to his application may, on a petition to that effect, presented to the Commissioner, and on compliance with the other requirements of this Act, obtain a patent granting to such person an exclusive property in such invention.

What may not be patented.

(2) No patent shall issue for an invention which has an illicit object in view, or for any mere scientific principle or abstract theorem.

Inventions for which foreign patents have been taken out.

8. (1) Any inventor who elects to obtain a patent for his invention in a foreign country before obtaining a patent for the same invention in Canada, may obtain a patent in Canada if the patent is applied for within one year from

the earliest date on which an application for a patent for the invention was filed in any foreign country, or from the passing of this Act if no patent has been issued on a foreign application for the invention for more than one year.

(2) An application for patent for an invention filed in Canada by any person who has previously regularly filed an application for a patent for the same invention in a foreign country which by treaty, convention or law affords similar privilege to citizens of Canada, shall have the same force and effect as the same application would have if filed in Canada on the date on which the application for patent for the same invention was first filed in such foreign country, provided the application in this country is filed within twelve months from the earliest date on which any such foreign application was filed, or from the passing of this Act. But no patent shall be granted on an application for patent for an invention which had been patented or described in a patent or printed publication in this or any foreign country more than two years before the date of the actual filing of the application in Canada, or which had been in public use or on sale in Canada for more than two years prior to such filing.

Limitation of two years after publication or public use or sale.

9. Any person who has invented any improvement on any patented invention may obtain a patent for such improvement, but he shall not thereby obtain the right of making, vending or using the original invention, nor shall the patent for the original invention confer the right of making, vending or using the patented improvement. R.S., c. 69, s. 9.

Improvements may be patented.

10. (1) Every inventor shall, before a patent can be obtained, make oath, or, when entitled by law to make an affirmation instead of an oath, shall make an affirmation, that he verily believes that he is the inventor of the invention for which the patent is asked, and that the several allegations in the petition contained are respectively true and correct.

Oath of inventor to be made before obtaining patent.

(2) In the event of the inventor being dead, or mentally or physically incapable, or if, after the assignment of his invention, the inventor refuses to make such oath or affirmation, or if his whereabouts cannot be ascertained after diligent enquiries, such oath or affirmation shall be made by the applicant, and shall state that he verily believes that the person whose assignee or legal representative he is was the inventor of the invention for which the patent is solicited, and that the several allegations in the petition contained are respectively true and correct.

Patents to be for special methods or processes of manufacture.

(2) In the case of any patent for an invention intended for or capable of being used for the preparation or production of food or medicine, the Commissioner shall, unless he sees good reason to the contrary, grant to any person applying for the same, a license limited to the use of the invention for the Proviso. Notice to
applicant.

20. Whenever the Commissioner objects to grant a patent as aforesaid, he shall notify the applicant to that effect and shall state the ground or reason therefor, with sufficient detail to enable the applicant to answer, if he can, the objection of the Commissioner. R.S., c. 69, s. 18.

Terms.

(a) The Commissioner may grant to any person applying therefor a license to use the patented invention on terms to be fixed by the Commissioner;

Duty of Commissioner.

(b) In fixing the said terms the Commissioner shall have regard to the circumstances under which the invention was made and the right and interest of the Government of Canada therein in consequence thereof, which right and interest the said government is hereby declared to have, and shall reduce the royalty payable to the patentee accordingly or apportion the royalty between the patentee and the Government of Canada, but in no case shall the amount payable to the patentee be less than one-half of what it would have been had the inventor not been in the public service when making the invention;

RE-ISSUE OF PATENTS.

27. (1) Whenever any patent is deemed defective or inoperative by reason of insufficient description or specification, or by reason of the patentee claiming more or less than he had a right to claim as new, but at the same time it appears that the error arose from inadvertence, accident or mistake, without any fraudulent or deceptive intention, the Commissioner may, upon the surrender of such patent, within four years from its date or within one year from the passage of this Act and the payment of the further fee hereinafter provided, cause a new patent, in accordance with an amended description and specification made by such patentee, to be issued to him for the same invention for any part or for the whole of the then unexpired residue of the term for which the original patent was or might have been granted. Issue of new or amended patents.

(2) In the event of the death of the original patentee or of his having assigned the patent, a like right shall vest in his assignee or his legal representatives. Death or assignment.

(3) New patent, and the amended description and specification, shall have the same effect in law, on the trial of any action thereafter commenced for any cause subsequently accruing, as if the same had been originally filed in such corrected form before the issue of the original patent. Effect of new patent

(4) The Commissioner may entertain separate applications, and cause patents to be issued for distinct and separate parts of the invention patented, upon payment of the fee for a re-issue for each of such re-issued patents. R.S., c. 69, s. 24. Separate patents for separate parts.

DISCLAIMERS.

DISCLAIMERS.

Patentee may disclaim anything included in patent by mistake.

28. (1) Whenever, by any mistake, accident or inadvertence, and without any wilful intent to defraud or mislead the public, a patentee has,—

(a) made his specification too broad, claiming more than that of which he or the person through whom he claims was the first inventor; or,

(b) in the specification, claimed that he or the person through whom he claims was the first inventor of any material or substantial part of the invention patented of which he was not the first inventor, and to which he had no lawful right;

the patentee may, on payment of the fee hereinafter provided, make disclaimer of such parts as he does not claim to hold by virtue of the patent or the assignment thereof.

Form and attestation of disclaimer.

(2) Such disclaimer shall be in writing, and in duplicate, and shall be attested in the manner hereinbefore prescribed, in respect of an application for a patent; one copy thereof shall be filed and recorded in the office of the Commissioner, and the other copy thereof shall be attached to the patent and made a part thereof by reference, and such disclaimer shall thereafter be taken and considered as part of the original specification.

Pending suits not affected.

(3) Such disclaimer shall not affect any action pending at the time of its being made, except in so far as relates to the question of unreasonable neglect or delay in making it.

Death of patentee.

(4) In case of the death of the original patentee, or of his having assigned the patent, a like right shall vest in his legal representatives, any of whom may make disclaimer.

Effect of disclaimer.

(5) The patent shall thereafter be deemed good and valid for so much of the invention as is truly the invention of the disclaimant, and is not disclaimed, if it is a material and substantial part of the invention, and is definitely distinguished from other parts claimed without right; and the disclaimant shall be entitled to maintain an action or suit in respect of such part accordingly. R.S., c. 69, s. 25.

ASSIGNMENTS.

Representatives may obtain patent.

29. The patent may be granted to any person to whom the inventor, entitled under this Act to obtain a patent, has assigned or bequeathed the right of obtaining the same, or in default of such assignment, or bequest, to the legal representatives of the inventor. R.S., c. 69, s. 26.

Patents to be assignable.

30. Every patent issued for an invention shall be assignable in law, either as to the whole interest or as to any part thereof, by any instrument in writing; but such assignment, and every grant and conveyance of any exclusive right to make and use and to grant to others the right to

make and use the invention patented, within and throughout Canada or any part thereof, shall be registered in the Patent Office in the manner from time to time prescribed by the Commissioner for such registration; and every assignment affecting a patent for invention shall be null and void against any subsequent assignee, unless such instrument is registered as hereinbefore prescribed, before the registration of the instrument under which such subsequent assignee claims. R.S., c. 69, s. 27.

Registration

Assignment

registered.

IMPEACHMENT AND OTHER LEGAL PROCEEDINGS IN RESPECT OF PATENTS.

31. (1) A patent shall be void, if any material allegation in the petition or declaration of the applicant hereinbefore mentioned in respect of such patent is untrue, or if the specifications and drawings contain more or less than is necessary for obtaining the end for which they purport to be made, when such omission or addition is wilfully made for the purpose of misleading: Provided that if it appears to the court that such omission or addition was an involuntary error, and if it is proved that the patentee is entitled to the remainder of his patent *pro tanto*, the court shall render a judgment in accordance with the facts, and shall determine as to costs, and the patent shall be held valid for such part of the invention described, as the patentee is so found entitled to.

Patent to be
void in
certain cases,
or valid only
for parts.

Proviso.

(2) Two office copies of such judgment shall be furnished to the Patent Office by the patentee, one of which shall be registered and remain of record in the office, and the other of which shall be attached to the patent, and made a part of it by a reference thereto. R.S., c. 69, s. 29.

Copies of
judgment to
be sent to
patent office.

32. Every person who, without the consent in writing of the patentee, makes, constructs or puts in practice any invention for which a patent has been obtained under this Act or any previous Act, or who procures such invention from any person not authorized by the patentee or his legal representatives to make or use it, and who uses it, shall be liable to the patentee or his legal representatives in an action of damages for so doing; and the judgment shall be enforced, and the damages and costs that are adjudged shall be recoverable, in like manner as in other cases in the court in which the action is brought. R.S., c. 69, s. 30.

Remedy for
infringement
of patent.

33. Any action for the infringement of a patent may be brought in the court of record having jurisdiction, to the amount of the damages claimed, in the province in which the infringement is alleged to have taken place, which holds its sittings nearest to the place of residence or of business of the defendant; and such court shall decide the case and determine as to costs. R.S., c. 69, s. 31.

Action for
infringement
of patent.

Injunction
may issue.

34. (1) In any action for the infringement of a patent, the court, or any judge thereof, may, on the application of the plaintiff or defendant, respectively, make such order as the court or judge sees fit,—

- (b) for and respecting inspection or account; and,
- (c) generally respecting the proceedings in the action.

Appeal.

(2) An appeal shall lie from any such order under the same circumstances, and to the same court, as from other judgments or orders of the court in which the order is made. R.S., c. 69, s. 32.

Court may
discriminate
in certain
cases.

35. Whenever, the plaintiff, in any such action, fails to sustain the same, because his specification and claim embrace more than that of which he was the first inventor, and it appears that the defendant used or infringed any part of the invention justly and truly specified and claimed as new, the court may discriminate, and the judgment may be rendered accordingly. R.S., c. 69, s. 33.

Defence.

36. The defendant, in any such action, may plead as matter of defence, any fact or default which, by this Act, or by law, renders the patent void: and the court shall take cognizance of such pleading and of the facts connected therewith, and shall decide the case accordingly. R.S., c. 69, s. 34.

Proceedings
for impeach-
ment of
patent.

37. (1) Any person who desires to impeach any patent may obtain a sealed and certified copy of the patent and of the petition, affidavit, specification and drawings thereunto relating, and may have the same filed in the office of the prothonotary or clerk of the High Court Divisions of the Supreme Court of Ontario, or of the Superior Court of Quebec, or of the Supreme Court in Nova Scotia, New Brunswick, British Columbia or Prince Edward Island, respectively, or of the Court of King's Bench in Manitoba, or of the Supreme Court of the Northwest Territories in the provinces of Saskatchewan and Alberta respectively, pending the disestablishment of that Court by the legislature of those provinces respectively, and thereafter of such superior court of justice as, in respect of civil jurisdiction, is established by the said legislatures respectively in lieu thereof, or of the Territorial Court in the Yukon Territory, according to the domicile elected by the patentee, as aforesaid, or in the office of the registrar of the Exchequer Court of Canada, and such courts, respectively, shall adjudicate on the matter and decide as to costs; and if the domicile elected by the patentee is in that part of Canada formerly

known as the district of Keewatin, the Court of King's Bench of Manitoba shall have jurisdiction until there is a superior court therein, after which such superior court shall have jurisdiction.

(2) The patent and documents aforesaid shall then be held as of records in such courts respectively, so that a writ of *scire facias*, under the seal of the court, grounded upon such record, may issue for the repeal of the patent, for cause as aforesaid, if, upon proceedings had upon the writ in accordance with the meaning of this Act, the patent is adjudged to be void. R.S., c. 69, s. 35.

Scire facias
may issue.

38. A certificate of the judgment avoiding any patent shall, at the request of any person filing it to make it of record in the Patent Office, be entered on the margin of the enrolment of the patent in the Patent Office, and the patent shall thereupon be and be held to have been void and of no effect, unless the judgment is reversed on appeal as herein-after provided. R.S., c. 69, s. 36.

Powers of
court in
special cases.

counts.

(2) Where an appellant has been convicted of an offence and the jury or, as the case may be, the judge or magistrate, could on the indictment have found him guilty of some other offence, and on the actual finding it appears to the court of appeal that the jury, judge or magistrate must have been satisfied of facts which proved him guilty of that other offence, the court of appeal may, instead of allowing or dismissing the appeal, substitute for the verdict found a verdict of guilty of that other offence, and pass such sentence in substitution for the sentence passed by the trial court as may be warranted in law for that other offence, not being a sentence of greater severity.

Restitution
of property.

"1017. (1) The operation of any order for the restitution of any property to any person made on a conviction on indictment, and the operation in case of any such conviction, of the provisions of sections 795, 1048, 1049 and 1050 of this Act, shall (unless the trial court has directed to the contrary in any case in which, in its opinion, the title to the property is not in dispute) be suspended—

Such rules shall enable any convicted person to present his case and his argument in writing instead of by oral argument if he so desires. Any case or argument so presented shall be considered by the court.

Extension of
time.

(2) Except in the case of a conviction involving sentence of death, the time, within which notice of appeal or notice

of an application for leave to appeal may be given, may be extended at any time by the court of appeal or by any judge of that court.

(3) In the case of a conviction involving sentence of death or whipping—

Delay of execution of sentence of death or whipping.

(a) the sentence shall not in any case be executed until after the expiration of the time within which notice of appeal or of an application for leave to appeal may be given under this section; and

(b) if notice is so given, the appeal or application shall be heard and determined with as much expedition as practicable, and the sentence shall not be executed until after the determination of the appeal, or, in cases where an application for leave to appeal is finally refused, of the application.

(4) The production of a certificate from the registrar that notice of appeal or of application for leave to appeal has been duly given, or the production of a certificate from the Minister of Justice that he has directed a new trial, shall be a sufficient warrant to suspend the execution of any sentence of death or whipping.

Proof and effect of notice of appeal in cases of sentence of death or whipping.

(5) In the case of a conviction not involving sentence of death or whipping the sentence of the trial court shall not be suspended by reason of any notice of appeal or of application for leave to appeal, whether against conviction or against sentence, unless the court of appeal or a judge of the court of appeal expressly so directs.

In other cases.

1921, c. 52,
1922, c. 42.

[Assented to 30th June, 1923.]

WHEREAS in and by *The Returned Soldiers' Insurance Act*, chapter fifty-four of the statutes of 1920, it is enacted that life insurance contracts may be entered into by the Government of Canada, on the terms and conditions therein set forth, with any returned soldier or widow as therein defined; Preamble

And whereas by the issue of certain regulations the scope of the said Act has been limited and certain persons with actual dependents have been refused the benefits of the said Act by reason of the said regulations;

And whereas it is expedient that certain of the applications of those persons who were refused the benefits of insurance owing to such regulations be reviewed and be dealt with as though the said regulations had not been issued or put into effect, whether the applicant is now living or dead, provided such applicant had any person actually dependent upon him at the date of making application for insurance: Therefore His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. In any case where an application for insurance under the provisions of *The Returned Soldiers' Insurance Act* has been received and the applicant has died prior to the delivery to him of the policy of insurance, the approval of the application by the proper officer and the receipt of the initial premium shall be deemed to have been sufficient, unless it can be shown that the application was fraudulent, to put the insurance into force, and any insurance moneys which would have been payable had the policy been delivered to the applicant shall now be made payable, subject to a deduction of the amount of premium due from the date of application to the date of death: Provided such applicant had any person actually dependent upon him at the date of making application for insurance. Where applicant died prior to delivery of policy, the insurance is payable if application approved and premium paid.

Right to
insurance of
applicants

Any applications which were rejected prior to the first day of July, one thousand nine hundred and twenty-two, under any of the conditions set forth in section two of *An Act to amend The Returned Soldiers' Insurance Act*, chapter forty-two of the statutes of 1922, or the schedule to the said Act, shall be reviewed, except in cases where the applicant is suffering or has become impaired as a result of self-inflicted wounds or immoral conduct, or where the application was fraudulent, and on such review any applicant now living shall be given the right to insure, provided such applicant had any person actually dependent upon him at the date of making application for insurance, whether he would be now barred by the amendments to the Act contained in chapter forty-two of the statutes of 1922 or not; and in the case of any such applicant who has died, the amount of insurance for which he applied shall, subject to the above proviso, now be made payable, less the amount which would have been due as premium from the date of application to the date of death, notwithstanding that no effective insurance contract was completed; provided that such applicant actually had dependents and had lived for a sufficient period of time to admit of the approval of his application by the proper officer of the Department in the ordinary course of procedure.
